

From: "Ken Sorensen" <ksorensen@csd99.org>

Downers Grove North has had success with Spinnin Discs (Rolling Meadows, IL 847-818-8330). A basic set-up and light show for a 3 hour event costs about \$900. We have used them for Homecoming and Turnabout.

A-Z entertainment, our DJ is Jennifer. She is very professional, reliable and plays a mix of music, although a bit too much rap, would like to see more of a mix.

Contact information is:
A-Z
600 N. Gate Parkway
Wheeling Ill 60090

From: "Beth Lederhouse" <BLederhouse0801@oswego308.org>

Oswego High School has recently been using David Villa. His number is (630) 207-6811. He plays a wide variety of music and really tries to mix it up to appeal to as many groups as possible. He has a blacklight in addition to a variety of laser and regular DJ lights. He is a great guy with whom to work--very respectful and follows guidelines well. He also comes in to get requests from students during their lunches the week before the dance.

From: "Terry Burns" <TBurns@geneva304.org>

Geneva High School had Dance Party DJs this year. They are wonderful to work with and even set up a system on their website for students to request music before the dance.
Contact: Matt Martorano or Anthony Martorano, 888-438-3662, info@dpdjs.com or www.dpdjs.com

From: "Paul Gillette" <pgillette@cusd220.lake.k12.il.us>

Barrington High School used our own DJ'S called PROJECT GROOVE (our own athletic Trainers!!!) The students want them back for next year!!!

Abstract Rhythm – Jason Hyman 404-735-0363

We got the FULL package but it can be scaled down to \$3,000 upwards to \$16,000. By adding \$5 to our ticket price (now \$15) we were able to provide top entertainment, decorating consulting, live video and a CLUB-LIKE atmosphere for the dance. We had 3 djs, 1 caller and a live artist “Sammie” for the night of the dance. Relatively positive feedback on the change of format for the dance. They wanted some more slow songs and as always there is never enough time to dance. ☺
